

# Priya P Full Stack Web Developer

✉ priyap1038@gmail.com 📞 7676886137 📍 Bangalore 🌐 Github 🌐 LinkedIn

## Profile

---

Software Developer with hands-on experience in React, Node.js, MongoDB, SQL, and more, offering strong problem-solving skills and the ability to build scalable, real-world web applications. Proficient in MERN stack, Redux, Tailwind CSS, TypeScript, MySQL, Git, Firebase, REST APIs, and core CS fundamentals like OOP, DBMS, and OS.

## Skills

---

MongoDB, Express, React.js, Node.js, Redux, TailwindCSS, SASS, Git, MySQL, Vercel, Java, Javascript, C++

## Professional Experience

---

### Technical Mentor

03/2024 – present | Coimbatore, India

- Mentored students in building and deploying scalable web applications using the MERN stack, covering RESTful APIs, JWT authentication, and responsive React UI development.
- Mentored 250+ students across DBMS, OOP, OS, and full-stack development, using hands-on sessions, live coding, and real-world projects.
- Designed technical curriculum, created project templates, and evaluated student submissions to ensure industry-aligned outcomes.
- Trained and onboarded newly selected tech mentors at Kalvium through structured sessions, documentation, and peer learning support.
- Led cohort-based technical assessments, provided personalized feedback, and improved project success rate with structured guidance.

## Projects

---

### Sasta Safar

- Developed a responsive travel booking web application replicating core features of a travel site.
- Implemented dynamic filtering and sorting of travel packages based on user-selected criteria.
- Designed and integrated a functional pagination system for improved user experience and data navigation.
- Created an admin dashboard to perform full CRUD operations on travel packages, user data, and bookings.

Code base: <https://github.com/Priyap1038/SastaSafar> 

### Clothly

- Built a responsive e-commerce platform with a stylish UI for showcasing curated apparel.
- Used React.js for frontend development and integrated backend services for user and product management.
- Deployed on Vercel for reliable performance and accessibility.

Code base: <https://github.com/Priyap1038/Clothy> 

### **SnapShare (On going)**

SnapShare is a full-stack web application inspired by Instagram, featuring key functionalities such as creating posts, liking and commenting, following/unfollowing users, and secured authentication (including Google OAuth). This project allowed me to explore new technologies and move beyond my comfort zone.

Code base: <https://github.com/Priyap1038/SnapShare> 

## **Certificates**

---

### **Software Development**

Full-stack development, Git, database management, RESTful APIs, and collaborative projects using modern tools and frameworks.

### **Web Development**

Training covering HTML, CSS, JavaScript, React, Node.js, Express, and project-based deployment

### **Masai Assessment Assistantship Program**

Supporting peer skill-building through consistent assessment contributions.

## **Awards**

---

### **Winner – Weekly Hackathon Project**

Building a fully functional full-stack web application, demonstrating skills in frontend, backend, and deployment within a tight deadline.

### **Zoom Marathon**

Consistently recorded and submitted daily video updates, improving communication, speaking fluency, and learning discipline.

## **Education**

---

### **Masai School, Full Stack Web Development**

01/2023 – 02/2024 | Bangalore, India

1. Assisted students in their tech interview preparation by conducting mock technical interviews, coding challenges, and quizzes.
2. Administered behavioral questions to evaluate soft skills and teamwork abilities.
3. Proficient in industry-standard practices, DSA (570+ questions), Node.js, React, and Advanced JS.
4. Led diverse full-stack projects, showcasing expertise in Node.js, React, and Prompt Engineering. Consistently completed 100+ daily assignments.
5. Applied Node.js, React, Prompt Engineering, executing multiple professional projects, validating practical abilities.

### **Government Engineering College Haveri,**

08/2017 – 08/2021 | Haveri, India

Bachelor of Engineering - Civil
